Our Story

BONDED BY BLOOD

At an early age, our founders Kevin and Scott, met at hemophilia summer camp. As blood brothers, their friendship has spanned three decades of experiences in the bleeding disorders community and healthcare challenges. Over time, they shared each other's struggles and victories of living with a bleeding disorder. As they became professionals, they resolved to create the healthcare experience they wished they had. In mindful pursuit of this dream, they created **Brothers Healthcare**, a unique specialty pharmacy, built around exceptional care, personal experience, and integrity. Kevin and Scott are committed to providing pharmacy care experience that is second to none.
