

Personalized bleeding disorder care at home

Living with a bleeding disorder can be complex. With Optum[®] Infusion Pharmacy, you can count on expert guidance, helpful education and one-on-one support throughout your entire course of treatment.

We provide the tools and support you need:

- 24/7 support from experienced health professionals and pharmacists
- Help and services to guide you
- Medication and related supplies
- Overnight drug delivery (emergency same-day service in most markets)
- Expert reimbursement team to help manage your claim filings and insurance issues
- Home infusion nursing and support
- Waste disposal (sharps containers) program

Extra tools and support

Optum Physical Therapy Collaborative

Optum Physical Therapy Collaborative offers a team that builds physical therapy solutions for bleeding disorders.

StrapWrap

StrapWrap[®] keeps your medical information secure and easy to find for emergency responders. It attaches right to seat belts, bike seats, or a backpack strap.

Optum Women's Bleeding Disorder

Optum Women's Bleeding Disorder program provides wellness and empowerment tools for women with bleeding disorders.
